Dear Iván,

I allow myself to communicate to you that the Committee of Academic Matters of the Faculty of Sciences decided to:

Approve

Deny

YOUR REQUEST FOR

Voluntary leave from the Master's Program in Sciences Physics as of the first semester of 2019.

The leave is effective as long as you maintain your status as regular student and are not suspended academically or disciplinarily.

Recall that in order to reintegrate yourself to the university you need to file the corresponding request in the dates established by the Records and Admissions Office.

Cordially,
